• **Programs Offered** - Faculty reviewed and refined degree program offerings throughout 2009. Programs available for students admitted for fall enrollment included degrees in 15 academic disciplines: 3 master’s degrees, 6 bachelor’s degrees, and 6 associate-level degree programs. Additionally, 7 technical/certificate programs were offered through the Health Career Institute.

• **Student Enrollment** - Spring enrollment was 1,786 (84% female, 16% male); Summer enrollment was 873 (82% female, 18% male); Fall enrollment was 1,872 (84% female, 16% male).

• **Credit Hours** – The College generated 43,136 student credit hours in 2009 (18,521 in spring; 5,368 in summer; 19,247 in fall).

• **Program Enrollment** – During the fall semester, 87% of students were enrolled in undergraduate academic degree programs, 9% were in graduate degree programs, and 4% were enrolled in technical courses. Sixty-two percent of students were enrolled as majors in the School of Nursing; 31% in the School of Arts, Sciences and Health Professions; and 7% in the Health Career Institute.

• **Age Characteristics** - The average age of students at OLOL College is 28. Seventy-four percent of the student body is under 30 years of age, and 9% is over 40.

• **Ethnicity Characteristics** – Twenty-eight percent of those attending OLOL College self-identify as U.S. Students of Color: 22% Black; 3% Asian/Pacific Islander; 2% Hispanic; and 1% American Indian/Alaska Native.

• **Geographic Distribution** – Over 74% of the student body lists their parish of residence as East Baton Rouge (46%) or a parish within a 50-mile radius, primarily Ascension, Livingston, Jefferson, Saint Tammany or Tangipahoa. Out-of-state student enrollment continues to increase gradually year over year. In the fall of 2009, 30 students (almost 2%) were from states other than Louisiana.

• **Degrees Conferred** – Our Lady of the Lake College awarded 555 academic degrees in 2009. Following the spring semester, 289 degrees were awarded (73% associate; 15% baccalaureate; 12% master’s). Completion of the fall semester led to 266 additional degree conferrals (69% associate; 20% baccalaureate; 11% master’s). Ninety-seven certificates and diplomas were awarded to students completing programs offered through the Health Career Institute throughout the year.

• **Faculty** – The College currently employs 86 full time faculty (both 10 month and 12 month contract), 24 laboratory instructors/coordinators, and draws as needed from a pool of 130 well qualified professionals who serve as adjunct faculty.

• **Staff** – College constituencies are served by 72 professional and support staff members in enrollment services, academic affairs, counseling, financial aid, business affairs, development, institutional effectiveness, library, technology, and administrative support positions.

• **Enrollment Trend** – The overall enrollment trend has been up over the life of the College. Enrollment has more than doubled in the past 10 years, although there have been slight enrollment dips post-Katrina and in Fall 2008. Student headcount increased slightly over 3% from fall 2008 to fall 2009.

• **Budget** – The College’s budget for Fiscal Year 2009-2010 is $23,493,230, an increase of approximately 10% over the prior year.

• **Physical Plant** – The College currently occupies nine buildings near the intersection of Essen Lane and Perkins Road, near Our Lady of the Lake Regional Medical Center in South Baton Rouge. Additionally, the accelerated nursing program is offered at two locations in New Orleans.
